### Officer Reports

- Executive Board Report – Bill Hanckel
  - Great meeting attendance
  - Intro of all division reps and board members
  - Captains meeting went well. Special thanks to Camille and Donna and our guests
- Treasurer – Andy Nystrom
  - Just finished fiscal year; working on getting books in order to show comparison to our expectations
  - This season is our biggest so far!
- Discipline & Appeals – Dave Zabarsky
  - Passed our report listing infractions to date
- Referee – Donna Langdon - No update
  - A few complaints in already. Camille explained how Ralph rates the refs. Feedback is important.
  - Division Reps – Please have captains inform their teams that if a game is cancelled due to lightening, the players cannot stay and play on the field

### Office Report – Donna Langdon

- There have been issues with beer at WRAL – both Monday and Tuesday night
- Division Reps – Please have captains inform their teams that alcohol is not allowed and fines/forfeits may be applied if they are caught. Also, dogs are not allowed & trash needs to be picked up.
- The office will be moving by the end of the year. The new location is unknown at this time.

### Committee Reports

- Tournament – Chuck Blatchley
  - Had Discussion to determine how to move forward with the tournament in the future.
  - Seems as if Memorial Day weekend was not that great in terms of turn out. Some feel like Raleigh is not a destination city for a holiday tournament.
  - A few people felt we need to pick a consistent date and location and stick with it for the tournament to grow. It may not be perfect right away, but people will begin to plan for it.
  - Question arose on whether or not we should partner with The State Games or Wilmington.
  - Another option would be to partner with a local brewery and/or food trucks if we could find a location that would allow alcohol. Bill agreed to broach the subject with CASL (WRAL).
  - There was mention of a large park in Holly Springs. Would they allow beer/food trucks?
  - How about Cedar Fork?
  - Conclusion was that the Tournament Committee will meet and come back to the board with some proposals.
