Officer Reports

- Executive Board Report – Bill Hanckel - No Update
- Treasurer – Andy Nystrom - No Update
- Discipline & Appeals – Dave Zabarsky (Sue Pail, Chris Nystrom, David Watson, Daniel Williams)
 - Final season report reviewed (attachment)
 - Committee will review possibility of 3 yellows in a season resulting in a game missed. Need background data from office to review. Some other leagues do this now.
- Referee – Donna Langdon
 - Ralph sent a report of which refs worked center for which games and no outliers were seen as to any particular ref giving a larger percentage of cards in a particular division.
 - Captains may now have the cards by HALF TIME due to our more stringent illegal player fines... as long as the players there are on the roster and have an ID.
 - Request made to resend the new illegal player fines.

Office Report – Donna Langdon/Kirsten Nicholas

- 89 Teams have registered so far for Spring
- Kirsten showed TASL video which is on the website
- Looking to improve the website design and make it easily updatable
- Look at pictures on website from the 10th Anniversary games on Nov 3rd
- Division descriptions sent out for review by division reps so people can see what division they would belong to...

Committee Reports

- Tournament – Chuck Blatchley (Anibal Lopes, Molly Cherry, Zack Kaklamanos, Daniel Williams, Matt Morreau)
 - Had a meeting a couple of weeks ago. Tournament sponsor attended the meeting. Felt Memorial Day weekend would be a good weekend for the tournament.
 - Will send a list of questions to Kirsten to send out a survey monkey to the captains to determine what will help bring more teams in
 - Chuck looking for someone to help Market it
- Social – Molly Cherry (Chuck Blatchley, Bryan Gillespie, Sue Pail, Diego Munoz)
 - Nov 3rd 10th Anniversary Tournament was fun
 - CASL should have let us know that they were opening the food stand
 - This committee is happy to help other committees but is not really needed due to the fact that most people in the league are not interested in doing anything other than playing soccer
- Marketing – Matt Waldrop (Jimmy Bruni, David Zabarsky)
 - No Update. Will look to help the tournament committee.

 - Need feedback on training by division reps
 - Closet Factory will sponsor \$260 to buy software to update training modules...

New Business

- Seasonal Game Format
 - Mixed feedback regarding tournament format vs standard league
- Spring Season Planning/Changes
 - Agree to leave format as is for Spring and look at whether or not a change would be liked for the Fall
 - Going to smaller divisions due to skill discrepancies in the larger leagues
